Bridge Construction Statement Update

BOSTON, MA. – State Representative Steven Xiarhos (R-5th Barnstable) issued the following statement on the removal of construction signage and lane restrictions after the latest repairs to the Sagamore Bridge...

I am grateful that bridge repairs were made in the best interest of the safety of everyone who uses the bridge and I appreciate and commend the efforts of everyone who took part in making these repairs, which were completed ahead of schedule.

At the same time, these repairs point to a larger issue: the Sagamore and Bourne Bridges are outdated and need to be replaced, not just repaired. These bridges are a critical transportation link for Cape Cod. Our economy and our way of life here on Cape Cod depends upon having bridges that are safe to use, reliable, and effective to accommodate traffic, and that serve the

purposes of an ever-modernizing transportation network.

We can't keep slapping band-aids on these bridges and expecting them to be adequate for years to come. The time to replace these bridges is now, and we need to make sure that new bridges are built with the least amount of disruption to people who live in the area.

I believe this sort of infrastructure project is beyond the reasonable capability of our state alone... I believe the federal government needs to step up and honor its past commitments to get involved in this project. Specifically, Massachusetts taxpayers should not foot the entire bill, and motorists should not pay for the project with tolls. I have called upon Governor Healey, to use the power of her office to coordinate with federal officials to see this project implemented as soon as possible, and I have offered my assistance as Representative of the 5th Barnstable District to help however possible.

Memorial Day Weekend

THANK YOU ALL! Such a beautiful weekend shared with family and friends honoring and remembering Nicholas and all our fallen heroes who gave their lives so we can live free. Thank you for all the well wishes, thoughts, and prayers. It was a beautiful weekend of ceremonies at Barnstable-West Barnstable Elementary, Riverview School, in Sandwich, Hyannis, and at the MA National Cemetery in Bourne where we posted 80,000 American flags on the graves of our fallen. Every beautiful ceremony was a poignant reminder of how fortunate we are to live on Cape Cod and our great Nation.

A very special thank you as well to all our sons and daughters of our District and of the Cape who are actively serving and defending our nation around the globe, and to their parents and families for allowing them to be featured as a part of this year's Military Appreciation Month Facebook postings!
