# Flag Day in 5th Barnstable

This Flag Day we celebrated our nation's colors at Upper Cape Cod Regional Technical School at a surprise ceremony to present Bourne resident and Korean War Marine Combat Veteran George Nixon, with the medals he earned but never received during his service. The UCT carpentry students presented Mr. Nixon with his medals in a special shadow box they crafted just for him.

I was also honored to serve as the moderator for the 'Voices of Veterans' event in Dennis to shine a light on the challenges veterans face with reintegrating into civilian life, and the people and organizations right here on Cape Cod that have developed programs and tools to assist them.

And a very special thank you to all who came out to support our Team SRX Flag Day Summer Party at Pilot House Restaurant in Sandwich!

## Congratulations Robin & James Miller!

Proud to be present at today's 25th Annual Massachusetts Commission on the Status of Women Commonwealth Heroine Award Ceremony held at The People's House on Beacon Hill in Boston. Over 100 amazing women from all across the Commonwealth were recognized for their extraordinary contributions to their communities in public or community service.

Special shout out to my nominees Robin Miller—who received the 2023 Heroine of the Year Award and her husband James—who received the 2023 Black Excellence on the Hill Award.

Congratulations to all the recipients and thank you Robin and James for your ongoing contributions and community service to our great Fightin 5th District and Commonwealth.

# Little Z First Responders Ceremony

THANK YOU Sandwich Public Safety! Deeply special to present members of Sandwich Fire and Sandwich Police Department with citations from the House and Senate for saving the life of Little Z on the one year anniversary of the incident.

Thanks to the quick thinking and preparedness of the civilians and our local first responders on the scene, Little Z was able to make a miraculous full recovery in the months following their lifesaving efforts.
